ADDITIONAL SPECIAL SERVICES

Please inquire with us at check in about these services. Check box if requested.

- Bath (\$21.94)
- Nail Trim (\$9.63)

We diligently try to prevent your pet from soiling itself while being boarded. However, dogs frequently do soil themselves while boarding and a bath on the morning of discharge is highly recommended. We are unable to ensure a clean pet at discharge without doing a bath. If your animal is being bathed plan to pick up **AFTER 2 pm** unless we call you for an earlier pickup.

EMERGENCIES – Please check the requested box.

- I consent for the veterinarian to do whatever is necessary should an emergency arise, until an authorized individual be reached for further instructions.
- I will allow up to \$_____ in medical care for my pet until an authorized individual can be reached.
- I request a phone call at the emergency phone number above before treatments are performed.

Pets are released only during normal office hours. Full payment is due upon release.
